VEGETABLE FRIED RICE

Our crowd-favorite Vegetable Fried Rice just got better! InnovAsian Cuisine's Vegetable Fried Rice, now features authentic wok-fried flavor. Our rice is infused with flavor during the cooking process and then 'grilled' to impart the flavor you would get if it were prepared in a hot wok.

In addition to a more flavorful experience we have improved the vegetable blend and added EDAMAME.

All of our rice products are now clean label - NOTHING ARTIFICIAL.
